Uppity Women of the Renaissance Vicki Leon

Introducing some of history's most dangerous, outrageous, and flamboyant women, *Uppity Women of the Renaissance* introduces readers to ex-nun Catalina de Erauso, who dueled, drank, and cross-dressed her way through Spain and North America; Chiyome, who started a profitable business renting out female ninjas, called "deadly flowers," in 16-century Japan; and Zubayda, an Arab engineer who, when she wasn't busy building aqueducts, roads, or entire cities, found time to throw lavish, Martha Stewart-style parties. Covering wide geographical ground and combining meticulous historical research, period artwork, and a rollicking sense of humor, this latest volume in the *Uppity Women* series profiles more than 200 heroines, hussies, and harpies of the fourteenth through the 17th centuries.
