Around Africa On My Bicycle Riaan Manser

In a world first, almost incredibly, Riaan Manser rode a bicycle right around the continent of Africa. It took him two years, two months and fifteen days. He rode 36 500 kilometres through 34 different countries. In *Around Africa on my Bicycle*, Manser tells the story of this epic journey. It is a story of blood, sweat, toil and tears. It is a story of triumph and occasional disaster. Of nights out under the stars, of searing heat and rain, of endless miles of Africa and of pressing on and never surrendering whatever the odds. Mostly however it is the story of one man's courage and determination to escape the mundane and see the continent he loves and feels so much a part of. It is a story of the human warmth he encounters, and occasionally human wrath and hostility as he crosses troubled countries and borders.
