Enemy Mine Karin Harlow

Lovers from opposite worlds reunite in Karin Harlow's explosive, erotic new L.O.S.T. adventure. . . .

While tracking a hijacked cask of enriched uranium in Kyrgyzstan, L.O.S.T. operative Nikko Cruz is ambushed and left for dead. Which means he must be hallucinating when the only woman he ever loved—the woman he was sentenced to death for killing—comes to his rescue. Half-daemon Selena Guererro has secrets she'd kill for. The most important one, she's already died to protect. Now she'll do anything to keep her daughter safe. But she can't just leave her lost love to perish. She injects Nikko with immortal blood serum, putting herself in grave danger.

When Nikko comes to, he is superhuman and super pissed. The mother of his daughter—the one he thought killed their child—is alive. He wants answers. He wants blood. And despite his best intentions, he wants Selena. He traces her to a mysterious terrorist cell where the cask has surfaced. First, he must retrieve the deadly material. Then he'll take revenge on his beautiful ex. But when nothing goes as planned, Nikko and Selena find themselves burning with desire . . . and blowing the roof off their separate worlds, human and daemon alike.

From reader reviews:

Lisa Knight:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each reserve has different aim or even goal; it means that e-book has different type. Some people feel enjoy to spend their a chance to read a book. They can be reading whatever they get because their hobby is usually reading a book. Consider the person who don't like reading through a book? Sometime, man or woman feel need book whenever they found difficult problem or even exercise. Well, probably you will need this Enemy Mine.

Lourdes Tyner:

In this 21st century, people become competitive in every single way. By being competitive today, people have do something to make them survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated the item for a while is reading. That's why, by reading a book your ability to survive improve then having chance to stand up than other is high. For yourself who want to start reading some sort of book, we give you that Enemy Mine book as starter and daily reading book. Why, because this book is more than just a book.

Micah Clark:

This book untitled Enemy Mine to be one of several books which best seller in this year, here is because when you read this guide you can get a lot of benefit in it. You will easily to buy this specific book in the book retailer or you can order it by way of online. The publisher of this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Smartphone. So there is no reason for you to past this reserve from your list.

Shawn Mathison:

Playing with family within a park, coming to see the ocean world or hanging out with good friends is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Enemy Mine, you could enjoy both. It is fine combination right, you still want to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't understand it, oh come on its named reading friends.
