## **O Alienado (Portuguese Edition)** Cirilo S. Lemos

Em O Alienado, romance de Cirilo S. Lemos, o leitor é trazido a um complexo labirinto de acontecimentos e emoções onde acaba se questionando sobre quem observa suas memórias ou controla o destino das pessoas. Que segredos existem por trás das torres de aço e vidro da Cidade-Centro? Cosmo Kant, operário com nome de filósofo e vida ordinária, precisa lidar com essas questões após testemunhar um homem atravessar o espelho do banheiro como num passe de mágica. Enquanto o governo trava uma guerra não oficial contra o Nada, Cosmo vê sua história se entrelaçar com a de um inspetor encarregado de investigar possíveis ataques terroristas contra a realidade, mas que está mais interessado no amor de uma mulher proibida. A resposta para suas perguntas pode estar perdida entre as lembranças, no tempo que se estica e se sobrepõe, nas filas que parecem uma entidade coletiva, nas mãos de um Forasteiro manipulador que usa crianças como bombas, nos corredores escuros de um Arquivo inalcançável... ou em lugar nenhum. Em um mundo de dúvidas, só existe uma certeza: os Metafilósofos vigiam você.
