## **Perón y su tiempo (Tomo 3): El régimen exhausto (1953- 1955) (Spanish Edition)** Felix Luna

Estimada como la obra cumbre de la madurez, en la que Félix Luna desplegó el oficio de historiador que había alcanzado, esta trilogía se publicó entre 1984 y 1986, cuando el peronismo había sido desplazado por primera vez del poder por el voto popular. Esta nueva realidad invitaba a los peronistas, y a los que no lo eran, a reflexionar sin los odios y rencores del pasado. Luna, que en El 45 había comenzado dicho análisis, iniciaba ahora un estudio general de la primera y segunda presidencia de Perón, dividido en tres partes.

En este volumen final, el autor empieza relatando lo sucedido en 1953, un año pródigo en hechos de violencia. Más tarde el sistema de Perón parece haber alcanzado su exitosa culminación, pero el conflicto con la Iglesia, entre otras causas, lo arrastrará a una profunda crisis y finalmente lo llevará al derrumbe en 1955.
