The Liberty Bell (Icons of America)

Gary B. Nash

The Liberty Bell (Icons of America) Gary B. Nash

Each year, more than two million visitors line up near Philadelphia's Independence Hall and wait to gaze upon a flawed mass of metal forged more than two and a half centuries ago. Since its original casting in England in 1751, the Liberty Bell has survived a precarious journey on the road to becoming a symbol of the American identity, and in this masterful work, Gary B. Nash reveals how and why this voiceless bell continues to speak such volumes about our nation.

A serious cultural history rooted in detailed research, Nash's book explores the impetus behind the bell's creation, as well as its evolutions in meaning through successive generations. With attention to Pennsylvania's Quaker roots, he analyzes the biblical passage from Leviticus that provided the bell's inscription and the valiant efforts of Philadelphia's unheralded brass founders who attempted to recast the bell after it cracked upon delivery from London's venerable Whitechapel Foundry. Nash fills in much-needed context surrounding the bell's role in announcing the Declaration of Independence and recounts the lesser-known histories of its seven later trips around the nation, when it served as a reminder of America's indomitable spirit in times of conflict. Drawing upon fascinating primary source documents, Nash's book continues a remarkable dialogue about a symbol of American patriotism second only in importance to the Stars and Stripes.

Michael Vines:

As we know that book is vital thing to add our knowledge for everything. By a book we can know everything we want. A book is a pair of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This e-book The Liberty Bell (Icons of America) was filled concerning science. Spend your extra time to add your knowledge about your research competence. Some people has diverse feel when they reading a book. If you know how big advantage of a book, you can feel enjoy to read a book. In the modern era like currently, many ways to get book that you simply wanted.

Julia Watkins:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Liberty Bell (Icons of America) can make you experience more interested to read.
