Offering concise, research-based content in a consistent format, this text highlights relevant and challenging topics for nursing students, including patient teaching, community and home care, gerontology, cultural and ethnic considerations, collaborative care, nutrition, and critical thinking. Nursing management content is discussed in a levels-of-care approach, with separate headings for Health Promotion, Acute Intervention, and Ambulatory and Home Care. More than just a textbook, it is a comprehensive resource with the essential information that students need to prepare for lectures, classroom activities, examinations, clinical assignments, and comprehensive care of patients.
