"Answers! I want answers!" Most people have burning questions about God and the way He operates in this world. The problem is finding Biblical answers. Better yet, it is a book that not only satisfies your questions, but provides a framework for discovery on your own. Woodrow Kroll has taken on this task, and gives us a unique approach: answering in "God's voice," just as if you were posing questions to Him in your living room. The unconventional, pulls-no-punches style will appeal to an audience weary of "pat answers" and hungry for the truth.
