Mastering Digital Photography, Second Edition David D. Busch

"Mastering Digital Photography, Second Edition" moves beyond the typical digital camera book. It is a book about digital photography: how to take great pictures and make great images that leverage the strengths of computer technology, while taking into account the special needs of digital cameras. Whether you're a snap-shooting tyro, or an experienced photographer moving into the digital realm, you'll find the knowledge you need here. This is the book that will show you how to explore the fascinating world of photography with digital technology.
