They're fun! They're quirky! They're Sweet Seasons?unlike any other girls' books you've ever read. You could call them alternative, God-honoring chick lit. Join Candy Thompson on a sweet, lighthearted, and honest romp through the friendships, romances, family, school, faith, and values that make a girl's life as full as it can be. It's the end of Candace's senior year, and life's getting sticky. A promotion to The Zone's Candy Counter means Candace gets to create gooey treats all day long. She is a finalist for The Zone's college scholarship (Florida anyone?), things with Kurt are getting really weird, and she's bothered by all the questions about her future. Not unlike the challenge of making candy apples, Candace struggles to resist getting stuck and believe in what is truly at her core.
