Selected Poems (Penguin Classics)

Pierre de Ronsard

Selected Poems (Penguin Classics) Pierre de Ronsard

Ronsard is considered one of France's greatest love poets, yet his poetic achievements are not restricted to his verses of love, wine and nature. A true Renaissance figure, his themes ranged from politics, science and philosophy, to the bawdy and risqué. Using Greco-Roman and Italian poetic models, and drawing on the rich images of classical mythology, Ronsard revolutionised the tradition of French poetry. In the 20th century, Ronsard's poetry was influential for W. B. Yeats, translated by Sylvia Plath, and illustrated by Henri Matisse. He stands as one of the most innovative and diverse voices in the history of European poetry.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
