### Twelve Irish Ghost Stories (Oxford Twelves)

There's nothing like a good ghost story, and the Irish have traditionally excelled at them. The specters which haunt these Irish ghost stories include massacred Spanish sailors, a silver-robed woman who plies her guests with poison, a mutilated peddler, a benign but icy embrace, and the devil himself. *Twelve Irish Ghost Stories* draws from the rich and varied literary tradition of a culture long enchanted by things supernatural, a land where ghosts and ghost-seers are common.

Energetically inventive, and infused with a relish of the supernatural, these classic ghost stories still retain their original power to unsettle and surprise. *Twelve Irish Ghost Stories* is one chilling anthology no fan of the genre will want to be without.
