Captain America, Masculinity, and Violence (Television and Popular Culture)

J. Richard Stevens

Captain America, Masculinity, and Violence (Television and Popular Culture) J. Richard Stevens
Since 1940, Captain America has battled his enemies in the name of American values, and as those values have changed over time, so has Captain America's character. Because the comic book world fosters a close fan-creator dialogue, creators must consider their ever-changing readership. Comic book artists must carefully balance storyline continuity with cultural relevance. Captain America's seventy-year existence spans from World War II through the Cold War to the American War on Terror; beginning as a soldier unopposed to offensive attacks against foreign threats, he later becomes known as a defender whose only weapon is his iconic shield. In this way, Captain America reflects America's need to renegotiate its social contract and reinvent its national myths and cultural identity, all the while telling stories proclaiming an eternal and unchanging spirit of America.

In *Captain America, Masculinity, and Violence*, Stevens reveals how the comic book hero has evolved to maintain relevance to America's fluctuating ideas of masculinity, patriotism, and violence. Stevens outlines the history of Captain America's adventures and places the unfolding storyline in dialogue with the comic book industry as well as America's varying political culture. Stevens shows that Captain America represents the ultimate American story: permanent enough to survive for nearly seventy years with a history fluid enough to be constantly reinterpreted to meet the needs of an ever-changing culture.

From reader reviews:

Jeffrey Brown:

People live in this new day of lifestyle always try and must have the time or they will get lots of stress from both day to day life and work. So, if we ask do people have spare time, we will say absolutely without a doubt. People is human not only a robot. Then we ask again, what kind of activity do you have when the spare time coming to an individual of course your answer will certainly unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative inside spending your spare time, typically the book you have read will be Captain America, Masculinity, and Violence (Television and Popular Culture).

Michael Dennison:

This Captain America, Masculinity, and Violence (Television and Popular Culture) is great publication for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This book reveal it data accurately using great coordinate word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but hard core information with lovely delivering sentences. Having Captain America, Masculinity, and Violence (Television and Popular Culture) in your hand like having the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world throughout ten or fifteen second right but this book already do that. So, this is certainly good reading book. Hi Mr. and Mrs. occupied do you still doubt which?

Lila Johnson:

Is it a person who having spare time and then spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Captain America, Masculinity, and Violence (Television and Popular Culture) can be the answer, oh how comes? The new book you know. You are consequently out of date, spending your spare time by reading in this new era is common not a geek activity. So what these publications have than the others?

Kenneth Rogers:

That publication can make you to feel relax. This kind of book Captain America, Masculinity, and Violence (Television and Popular Culture) was vibrant and of course has pictures on the website. As we know that book Captain America, Masculinity, and Violence (Television and Popular Culture) has many kinds or variety. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore, not at all of book are make you bored, any it offers you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading which.
