Green Jasper (The deGranville Trilogy) K. M. Grant

Is it foolish to think that one boy and a blood red horse can save a fair maiden and the throne of England?

Will and Gavin de Granville have come back from the crusade older, braver, and definitely wiser.

Ellie has been longing for their return. But they've changed. And home is almost as dangerous as the war they've just left.

The king is missing. The country is in turmoil. And some men would do anything for power. What will two brothers risk for the woman they both love and the king they have both sworn to protect and serve? In the second book of the de Granville trilogy, Will and Gavin find their family – and all of England – in serious peril.
