## **What have you resolved to do this year?**

What Sharon Lawrence's two daughters are determined to do is find a man for their mother. They even share their plans with Gabe Malone—part owner of the company Sharon has hired to renovate her house. Before long, Sharon is "accidentally" meeting one inappropriate man after another.

At first, Gabe is amused by the girls' schemes. But now that he's getting to know Sharon, he hates the idea of all these dates. He's beginning to think he may be the only single man in the neighborhood who's not part of the man plan.

And he's beginning to wish his name were on the list.
