**Business Intelligence: Una guía práctica (Spanish Edition)** Edison Medina La Plata

Una historia que se lee como una novela de gran interés. Un libro que sirve como herramienta de autoayuda, en el cual el autor ofrece sus conocimientos acerca de la empresa y las prácticas espirituales de filosofías orientales. Las siete semillas son los símbolos que utiliza un maestro para orientar a su discípulo, el gerente Ignacio Rodríguez, quien trabaja 18 horas al día. Cada semilla tiene una enseñanza, como el autoconocimiento o la búsqueda de la felicidad. Una obra para quienes quieren sobresalir en un mundo lleno de competencia y también para quienes pretenden un equilibrio en la vida personal y profesional.
