**Deus machi (Spanish Edition)** Jorge Guzmán Chávez

¿Cómo reunir dos mundos que parecen perpetuamente irreconciliables? Aquello que supone una temporada infernal cautivo de los mapuche, se transforma para fray Lorenzo de Argomedo en una experiencia que marcará el resto de su vida. Con el trasfondo del Chile colonial del siglo XVII, por las páginas de Deus machi circulan figuras y hechos que pertenecen a la tradición mítica nacional, literaria y popular en permanente contrapunto con el universo indígena, fracturado por la invasión española y sus continuas guerras. Esta nueva novela de Jorge Guzmán despliega, con la maestría de una escritura ágil y con gran dominio de la tensión y de los matices emocionales de sus personajes, una sucesión de acontecimientos que se plasmarán como un cruce cultural, expresado en una mirada nueva sobre la naturaleza humana por parte de fray Lorenzo durante su propio "cautiverio feliz".
