How to Let God Help You is a spiritual classic that speaks to today's readers. The book is composed of selected portions of Myrtle Fillmore's most inspired writings, published articles, and lectures. Mrs. Fillmore's ideas spring from her realizations of Truth: God is always available to help with your every need, and through development and righteous use of your God-given abilities, you will express your unlimited divine potential as a child of God.

Myrtle Fillmore dishes out metaphysical advice as we can imagine our mothers would--with grace; occasional gentle humor; and, always, no-nonsense maternal wisdom.
