## **Illegal Possession** Kay Hooper

From *New York Times* bestselling author Kay Hooper comes a novel of suspense, mystery, and seduction that begins at the scene of a crime—and brings a man and woman together in a dangerous partnership that could cost them everything. ...

What she was doing was immoral, illegal, and could easily get her killed—but Troy Bennett wasn't apologizing to anyone. She'd been caught red-handed in the middle of a felony and she couldn't have picked a more dangerous man to be holding her fate in his hands. Not that straitlaced businessman Dallas Cameron intended to turn her over to the law. He had far more devious intentions for the sexy cat burglar. He planned to uncover the secrets of this complex and mysterious woman who broke into homes and yet had connections with Interpol, who rejected his interest but seduced him at every turn. Thief, security expert, art aficionado, Washington, D.C., hostess to the rich, famous, and immensely powerful—who was Troy Bennett? Would answering that question take Dallas over the line he always drew between good and evil and plunge both of them into the darker side of desire?
