## **Image Art Workshop: Creative Ways to Embellish & Enhance Photographic Images** Paula Guhin

This book teaches the reader to think of a photograph as a canvas for a wide range of artistic manipulation and coloring techniques. Once upon a time, you hesitated to even take scissors to a photo (even an imperfect one) because if you lost its negative, you'd also lose that moment in time forever. In this day of digital images and photo printers for the home computer, photographs are easily duplicated, so you never have to be concerned about preserving printed photos. You can cut, color, collage, and camouflage to your heart's content. The photo is now an art medium that can be altered physically or digitally to create all kinds of effects.

#### **Kathy Ahmed:**

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says,

many ways to reach Chinese's country. Therefore , this Image Art Workshop: Creative Ways to Embellish & Enhance Photographic Images can make you feel more interested to read.
