Pathfinder Tales: Nightglass Liane Merciel

In the grim nation of Nidal, carefully chosen children are trained to practice dark magic, summoning forth creatures of horror and shadow for the greater glory of the Midnight Lord. Isiem is one such student, a promising young shadowcaster whose budding powers are the envy of his peers. Upon coming of age, he's dispatched on a diplomatic mission to the mountains of the Devil's Perch, where he's meant to assist the armies of devil-worshipping Cheliox in clearing out a tribe of monstrous winged humanoids. Yet as the body count rises and Isiem comes face to face with the people he's exterminating, lines begin to blur, and the shadowcaster must ask himself who the real monsters are... - From Liane Merciel, critically acclaimed author of *The River King's Road* and *Heaven's Needle*, comes a fantastical tale of darkness and redemption set in the award-winning world of the Pathfinder Role playing Game.
