Inclusion Strategies for Secondary Classrooms: Keys for Struggling Learners

Keys for unlocking the doors to learning for ALL students!

This updated edition of the bestseller *Successful Inclusion Strategies for Secondary and Middle School Teachers* identifies “locks” to learning—input locks, processing/retention locks, affective locks, and output locks—and provides research-based “keys” to unlock learning barriers for students with disabilities and learning challenges. Packed with teacher-friendly, developmentally appropriate strategies that work, this new edition examines:

- Research on the unique teaching environment of secondary school classrooms
- The reauthorization of IDEA 2004
- The impact of NCLB on special education
- Incorporating strategies into a Response to Intervention program
- Applications for Universal Design for Learning
