Montana Morning Sharon Flesch

Life on the Kilbourne Cattle Ranch will never be the same. Nestled in a remote mountain valley in western Montana, this has always been a peaceful place. Jack, his father, Will, and one hired hand keep things simple...they like it that way...hard work and a feeling of contentment at the end of the day.

When Jack's grandson, Scotty, is orphaned, however, things change over night. Suddenly, there is a young boy with a broken heart and a broken body to care for, and they need help.

Jack thinks he's found just what they need when he steps up to Adrianna's door. What he doesn't realize is, the 'sweet little lady' and Scotty are going to turn their lives upside down and inside out.

Adrianna is determined to turn the old ranch house into a real home and this bunch of cantankerous men into a family...armed with her faith in God and a quiet sense of humor, she sets out to do just that.
