Sounds of the Wild: Safari (Pledger Sounds)

What was that sound? It's the scampering hooves of an antelope trying to avoid the clutches of a hungry cheetah! A male lion smells an intruder — ROAR! Young readers experience the amazing sights and sounds of Africa in this entertaining book. As they explore the Masai Mara, the Serengeti, and the Kalahari, young safari-goers meet a menagerie of safari animals, including favorites like giraffes, elephants, and zebras as well as unusual critters like black mamba snakes, dung beetles, and goliath herons. Maurice Pledger's stunning pop-up panoramas, realistic animal sounds, and an informative field guide make this a book young readers will read again and again.
