The Soundtrack of My Life

Clive Davis

The Soundtrack of My Life Clive Davis

In this star-studded autobiography, Clive Davis shares a personal, candid look into his remarkable life and the last 50 years of popular music as only a true insider can.

In the history of popular music, no one looms as large as Clive Davis. His career has spanned more than 40 years, and he has discovered, signed, or worked with a staggering array of artists: Whitney Houston, Janis Joplin, Simon and Garfunkel, Barry Manilow, Patti Smith, Lou Reed, Dionne Warwick, Carlos Santana, The Grateful Dead, Alicia Keyes, Kelly Clarkson, Jennifer Hudson, and Aretha Franklin, to name a few. He has been inducted into the Rock and Roll Hall of Fame, received a Lifetime Achievement Grammy, and hosted the world's highest profile parties.

In this personal account, Davis tells all, from becoming an orphan in high school and getting through college and law school on scholarships, to being falsely accused of embezzlement and starting up his own record company, J Records. His wealth of experience offers valuable insight into the evolution of the music business over the past half-century and into the future.

Told with Davis's unmatched wit, frankness, and style, Clive exposes a trove of never-before-heard stories - some hilarious, others tragic, all revealing - that will captivate and inspire all music lovers.

From reader reviews:

Doris Geer:

Have you spare time for a day? What do you do when you have more or little spare time? Sure, you can choose the suitable activity with regard to spend your time. Any person spent their own spare time to take a walk, shopping, or went to the Mall. How about open or maybe read a book titled The Soundtrack of My Life? Maybe it is to get best activity for you. You understand beside you can spend your time with your favorite's book, you can more intelligent than before. Do you agree with it has the opinion or you have some other opinion?

Morgan Woods:

Information is provisions for people to get better life, information nowadays can get by anyone with everywhere. The information can be a know-how or any news even a problem. What people must be consider any time those information which is from the former life are challenging be find than now's taking seriously which one is suitable to believe or which one the particular resource are convinced. If you find the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take The Soundtrack of My Life as your daily resource information.

Wanda Matthews:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Soundtrack of My Life can make you experience more interested to read.

Patricia Lopez:

Reading a e-book make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is prepared or printed or illustrated from each source this filled update of news. In this particular modern era like currently, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just seeking the The Soundtrack of My Life when you necessary it?
